Your right. It should be.  
Lol. Thanks for your  
input. I looked  
everywhere and the only  
thing i found was a  
small sticker on the  
compressor that shows  
80 cm<sup>3</sup>. I converted this  
to 2.7 ozs but i still don't  
know if that is  
compressor capacity or

Confusing purchase.

Order it because I

though a new

compressor purchase

would not have oil

already installed.

Compressors are

shipped with oil.

However, used it to

moisten O-Rings before

installation to prevent

damage as they are

torqued in place. Great

product.
