been updated and now features new chapters to address the many recent changes in Bankruptcy Laws. There is also a new chapter on Family Law. It includes numerous business-oriented features that make the course relevant to future managers and integrates ethics and social responsibility, international, contemporary business issues, and e-commerce in every morsel of the text.

INTERNATIONAL BUSINESS LAW AND ITS

ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

The sixth edition of this popular textbook presents the most practical, most current, and only concise, broad-based introduction to the study of business law principles and practices. The material has been revised and updated to reflect recent developments in the legal field, and every chapter includes an abundance of real-world examples that illustrate the law at work. In-depth coverage of the latest issues in business law, including new coverage of technology, product liability, and employment law, is also provided. New presentation and an engaging design make the book easy to teach and understand, and the new and expanded pedagogy, with an emphasis on teachability and assessment, offers teachers and students a wealth of opportunities for enriching the learning experience. Students will come away with a clear understanding of
