Competing By Design The Power

As companies are coming to realize they can't compete successfully in the 21st century with organizations based on 19th century ideas, Competing by Design shows clearly and persuasively why-and, most importantly how-to harness the power of organizational architecture to unleash the competitive strengths embedded in each organization.

Competing by Design: The Power of Organizational ...

Competing by Design: The Power of Organizational Architecture David A. Nadler and Michael L. Tushman Abstract. If the defining goal of modern-day business can be isolated to just one item, it would be the search for competitive advantage. Competition is more intense than ever—technological innovation, consumer expectations, and government ...
