Are you looking at 'Drawing' more than just a subject? Then you must prepare yourself for the Elementary and Intermediate Grade Examination. The Elementary and Intermediate Grade Examination was instituted in the year 1880 by the Art Directorate of Government of Maharashtra. It started with 18 students for the first ever examination.

~~5 Points to be understood before appearing for an ...~~
The first few questions are quite straightforward, but the difficulty gradually increases and the later questions will be a challenge, even to the best mathematicians in a class:-) <hr>I usually print these questions as an A5 booklet and issue them in class or give them out as a homework.
