Charles Hill's Global
Business Today, 4e (GBT) has
become an established text
in the International
Business market for its

excellent but concise
coverage of the key global
issues including the
cultural context for global
business, cross-border trade
and investment, the global
monetary system and
competition in the global

difficult conceptual material. This approach has made it the fastest growing international business book available today.

Appleyard, Field, and Cobb's International Economics, 6th

Get Free Hill International Business 9th Edition

Edition is an International Economics textbook that offers a consistent level of analysis and treatment of the two main subdivisions of international economics—international trade theory and policy and

Get Free Hill International Business 9th Edition

international monetary
theory and policy.

Comprehensive and clear, the
text helps students move
beyond recognition toward an
understanding of current and
future international events.
As with each prior edition,

Get Free Hill International Business 9th Edition

the authors provide current and timely information on the wide variety of international economic phenomena in the 6th Edition. New boxed items were added to cover emerging issues in the global
