As control of Thebes is handed to Creon, his sons fight each other for the kingdom and his daughter Antigone is determined to serve the honour of her family to the bitter end. This version weaves together Sophocles and Aeschylus to present the full, visceral and bloody account of the Oedipus dynasty.

Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response.
