Taking government as one of the actors in governance, accountability ensures actions and decisions taken by public officials are subject to oversight so as to guarantee that government initiatives meet their stated objectives and respond to the needs of the community they are meant to be benefiting, thereby contributing to better governance and poverty reduction.

Qualities of Effective Leadership and Its impact on Good ...

When looking specifically at corporate governance, there are two major topics that need to be discussed, namely accountability and transparency. The concept of corporate governance is concerned with the separation of powers between the company's board of directors and its stakeholders (mainly the interests of its shareholders). Corporate governance entails a system of checks and balances and is intended to prohibit directors from promoting the short-term interests of shareholders by ...

GUM pledges jobs, accountability and transparent governance
Accountability, transparency, participation, and inclusion represent vital embodiments of the opening to politics that occurred in development work in the 1990s. They bridge three distinct practitioner communities that emerged from this new direction—those focusing on governance, on democracy, and on human rights. But consensus remains elusive.

Accountability, Transparency, Participation, and Inclusion ...
Good governance involves far more than the power of the state or the strength of political will. The rule of law, transparency, and accountability are not merely technical questions of administrative procedure or institutional design.
