New from Edmund, a complete guide to buying, financing, insuring & maintaining cars. The book will analyze how to negotiate the purchase of a new or used car, how to finance, insure & prepare for selling a car. A section will explain dealer options that do not add value at resale. Chapters on car care will explain the need for basic maintenance & will provide easy-to-use charts to aid the user in keeping maintenance records.

This is the only book that completely lists accurate technical data for all cars imported into the U.S. market from 1946-2000. With many imports approaching the antique status, this book will be a big seller across all generations of car enthusiasts. From the grandiose European carriages of the late Forties to the hot, little Asian imports of the Nineties, every car to grace American roadways from across the Atlantic and Pacific is carefully referenced in this book. &break;&break;Foreign car devotees will appreciate the attention given to capturing precise data on Appearance and Equipment, Vehicle I.D. Numbers, Specification Charts, Engine Data, Chassis, Technical Data, Options and Historical Information. &break;&break;Collectors, restorers and car buffs will love this key book from noted automotive authors, James Flammang and Mike Covello.
