technical knowledge needed to start a successful refrigeration and air-conditioning business anywhere in the world.

The aim of this book with its detailed step-by-step colour photographs and diagrams, is to enable every owner to fix their outboard motor with ease. Troubleshooting tables help diagnose potential problems, and there is advice on regular maintenance and winterising and repair. Jean-Luc Pallas's enthusiasm for passing on his knowledge, as well as his clear explanations, precise advice and step-by-step instructions make this a unique book.
