Transformation is something of a crime with a victim but no perpetrator - except the ideas of the political economists. And his critique of class seems to me to be a bit of an Aunt Sally, though perhaps it was a more relevant argument in the context of Stalinised Marxism in the 1930s when Polanyi's ideas were developing.

Origins Of Our Time
Polanyi's great transformation starts in the 19th century with the installation of a self-regulating market system ('the satanic mill') for labor, land and money and by letting the whole society be run by the system without any intervention. It provoked a wholesale destruction of the `traditional fabric of
