 Filled with action, conspiracy, romance, and questions of whom-and what-to believe, The Line Between is a high-octane story of survival and love in a world on the brink of madness. Read more Read less

*The Line Between: A Novel (1): Lee, Tosca: 9781476798622* ...

The Line Between is a thriller from bestselling author, Tosca Lee. As a fan of the author, I had high expectations and she did not disappoint. The storyline alternates between the present and flashbacks from the viewpoint of the main character, Wynter Roth.

*The Line Between (The Line Between #1) by Tosca Lee*

"A deftly crafted dystopian novel showcasing author Tosca Lee's impressive flair for blending conspiracy and romance with action and paranoia level scepticism in an all too believable near future, THE LINE BETWEEN is one of those exceptional works of literature that will linger in the mind, memory, and nightmare dreams of the reader long after the book itself has been finished and set back upon the shelf."

In this frighteningly believable thriller from New York Times bestselling author and master storyteller Tosca Lee, an extinct disease re-emerges from the melting Alaskan permafrost and causes madness in its victims. For recent apocalyptic cult escapee Wynter Roth, it's the end she'd always been told was coming. When Wynter Roth finally escapes from New Earth, a self-contained doomsday cult on the American prairie, she emerges into a world poised on the brink of madness as a mysterious outbreak of rapid early onset dementia spreads across the nation. As Wynter struggles to start over in a world she's been taught to regard as evil, she finds herself face-to-face with the apocalypse she's feared all her life—until the night her sister shows up at her doorstep with a set of medical samples. That night, Wynter learns there's something far more sinister at play: that the prophet they once idolized has been toying with the fate of mankind, and that these samples are key to understanding the disease. Now, as the power grid fails and the nation descends into chaos, Wynter must find a way to get the samples to a lab in Colorado. Uncertain who to trust, she takes up with former military man Chase Miller, who has his own reasons for wanting to get close to the samples in her possession, and to Wynter, herself. Filled with action, conspiracy, romance, and questions of whom—and what—to believe, *The Line Between* is a high-octane story of survival and love in a world on the brink of madness, from “the queen of psychological twists” (New York Times bestselling author Steena Holmes).

New York Times bestselling author Andrea Kane drives a twisty plot with THE LINE BETWEEN HERE AND GONE, originally published in 2012. THE LINE BETWEEN HERE AND GONE Each day is a struggle for Amanda Gleason's newborn son as he battles a rare immune deficiency. Justin's best chance for a cure lies with his father—who was brutally murdered before Amanda even realized she carried his child. But, after a recent photo of a man who looks exactly like Paul, Amanda becomes frantic to find out the truth. Forensic Instincts has built their reputation on achieving the impossible. Now they're up against ruthless people who are willing to risk it all to make the FI team forget about the man Amanda desperately needs to find. Titles originally published in 2012.

The Line Between There's a fine line between love and hate, so fine that you don't know you've lost balance until it's too late.I'm not sure exactly when I lost my balance, all I know is that he was to blame.Dane Winters.The boy who'd spent most of his life hating me for reasons I never understood.\*\* \*\* \*\* \*\* \*\* \*\*It was no secret that I hated her, but only I knew why.She was off-limits.And then our separate worlds collided with one tragedy.It wasn't her fault, I knew that, but I wanted her to hurt the way I did, and I needed someone to blame. She was an easy target.Kennedy Monroe.The girl I'd picked on all our lives.And the woman I barely tolerated.Until the line between love and hate was no longer visible... \*New Adult Contemporary Romance\* \*Due to mature content this book is not suitable for readers younger than 18\* Blurred Lines Hot on the heels of the Bestselling novel, The Line Between, comes the much-anticipated sequel, Blurred Lines. Jade Matthews and Reid Cole have been best friends all their lives. He was the boy who chased away the monsters from under her bed, and she was the girl he knew he was going to spend the rest of his life with. But even friendships aren't always built to last. This is a story about two best friends who's lives change after one night - a night that not even Fate could have stopped. In the aftermath, Reid and Jade lose their friendship, but soon come to find that they were destined to be so much more. \*\*Due to language and sexual situations this book is intended for readers older than 18. Although it is about two supporting characters from The Line Between, it is not recommended as a standalone. If you don't like somewhat clichéd stories, this book isn't for you. HEA. No cliffy\*\*

In this gripping sequel to *The Line Between*, which New York Times bestselling author Alex Kava calls “everything you want in a thriller,” cult escapee Wynter Roth and ex-soldier Chase Miller emerge from their bunker to find a country ravaged by disease, and Wynter is the only one who can save it. Six months after vanishing into an underground silo with sixty others, Wynter and Chase emerge to find the area abandoned. There is no sign of Noah and the rest of the group that was supposed to greet them when they emerged—the same people Wynter was counting on to help her locate the IV antibiotics her gravely ill friend, Julie, needs in order to live. As the clock ticks down on Julie's life, Wynter and Chase embark on a desperate search for medicine and answers. But what they find is not a nation on the cusp of recovery thanks to the promising new vaccine Wynter herself had a hand in creating, but one decimated by disease. What happened while they were underground? With food and water in limited supply and their own survival in question, Chase and Wynter must venture further and further from the silo. Aided by an enigmatic mute named Otto, they come face-to-face with a society radically changed by global pandemic, where communities scramble to survive under rogue leaders and cities are war zones. As hope fades by the hour and Wynter learns the terrible truth of the last six months, she is called upon once again to help save the nation she no longer recognizes—a place so dark she's no longer sure it can even survive. Fast-paced and taut, *A Single Light* is a breathless thriller of nonstop suspense about the risks of living in a world outside the safe confines of our closely-held beliefs and the relationships and lives that inspire us.

Born to the game, the younger Santanas found themselves forced to fill their mothers' shoes after the two sisters were indicted by the feds. Instead of sticking to the blueprints they inherited, they deviated far from the script. The money, power, and respect shot straight to their heads, and they used their status as a weapon. Now, their deadly display of violence and bloodshed has drawn heavy attention and heat to the family name. Once their mothers catch wind of their dangerous activities, they call in a favor from an associate they are confident can guide the boys in their absence. They ask him to help the Santana boys develop their game to a successful level. Little do they know it's already too late. The feds are already on their every move. In an effort to get a closer look into the family's affairs, the feds begin recruiting and making deals like it's an NBA draft. Power struggles ensue that cause the family to be divided and severely weakened. Under those circumstances, the feds take full advantage and go to great lengths to bring the Santanas down—permanently. The deception, disloyalty, and dishonor escalate to an all-time high, leaving a path of death and destruction in its wake. When the walls close in, who will live and who will die? Who will snitch, and how many will lie? Who will ride hard when freedom is on the line?

This book is part of the Boundaries Series, including Boundaries with Teens, Boundaries at Work, and The Power of No! Are you a part of a "unhappy couple"? `This book is encyclopaedic in its range compacting much fascinating material into a small space....West has a gift for summarising and critiquing others' thought with brevity...The book will resource and stimulate its readers' - Counselling `There have been many books written about counselling with respect to class, politics, gender, culture and similar issues but, as far as I am aware , this is the first major work to be presented in this country about working with a client's spirituality and the importance this may have... Is a must for trainees in the field and for those who feel a client's spirituality is an irrelevance.'- Cahoots This thoughtful and intelligent book encour

In her first book, *Walking the Line between God and Satan*, Katherine Sharpe explores the fine line between doing what God has called us to do for Him, and being side tracked by the deceptions of Satan.

Where's the line between having the faith to step out for what you think God wants you to do and making unwise decisions you rationalize to be 'of God'? Chris and Jessica set out on a journey to find that very line. After Chris had physical breakdown and recognized everything he wanted to do in life was not actually taking place, he and his wife set out to fulfill a dream they had - to travel the world. What began as an attempt to travel while running an online business, Chris and Jessica felt God tugging at their hearts to do something greater...to trust in Him for the full provision of their journey through prayer alone. No fundraising. No working. Just prayer. Booking a one-way ticket to Asia without a plan and very little money, they wondered if fulfilling their dream to travel and minister to those who they came across was God's best for them or if they were just being plain stupid. Chris tells a compelling story, walking you through the thoughts, emotions and realities of faith can produce. After 11 months, they had traveled to 24 countries completely debt-free. By simply believing God to meet their needs, they experienced shocking accounts that will undoubtedly challenge your level of faith. *The Line Between Faith & Stupidity* explores the freedoms and challenges Chris and Jessica faced and invites you to give your crazy dreams a shot.
