The classic resource for effective mediation - now fully updated and expanded. The popular Mediator's Handbook presents a time-tested, adaptable model for helping people work through conflict. Extensively revised to incorporate recent practice and thinking, the accessible manual format lays out a clear structure for new and occasional mediators, while offering a detailed, nuanced resource for professionals.

~~Mediator's Handbook: Amazon.co.uk: Beer, Packard~~

"The fourth edition of The Mediator's Handbook continues to improve upon everything that made the original edition a success: user-friendly explanations for every step of the mediation process, starting with what mediation is, to dealing with the most difficult situations that can arise in the course of a dispute. While the Handbook presents itself as being for mediators, those who should have a copy of the Handbook on their shelf include lawyers representing clients in litigation, human ...
