His nephew, Sanford Clark, was held captive there from the age of 13 to 15, and was the sole surviving victim of the killing spree.

The New York Times–bestselling author's "haunting, compassionate, and terrifyingly true" story of a man breaking free from his notorious past (Gregg Olson, New York Times–bestselling author of Starvation Heights). From 1926 to 1928, Gordon Stewart Northcott committed at least twenty murders on a chicken ranch outside of Los Angeles. He held his nephew, Sanford Clark, captive there from the age of thirteen to fifteen. Sanford would be Northcott's sole surviving victim. Forced by Northcott to take part in the murders, he carried tremendous guilt all his life. Yet despite his youth and the trauma he endured, Sanford helped gain justice for the dead and their families by testifying at the trial that led to Northcott's execution. These shocking events inspired Clint Eastwood's film The Changeling. But in The Road Out of Hell, acclaimed crime writer Anthony Flacco uses revelatory new accounts from Sanford's son to tell the complete, true story. Going beyond the film's narrative, Flacco recounts not only Sanford's nightmarish captivity, but also the inspiring life he led afterward. In dramatizing one of the darkest cases in American crime, Flacco constructs a riveting psychological drama about how Sanford was able to detoxify himself from the evil he'd encountered, offering the ultimately redemptive story of one man's remarkable ability to survive hell on earth and emerge intact.

The best-selling autobiography of America's most controversial celebrity icon, Marilyn Manson (with a bonus chapter not in the hardcover). In his twenty-nine years, rock idol Manson has experienced more than most people have (or would want to) in a lifetime. Now, in his shocking and candid memoir, he takes readers from backstage to gaol cells, from recording studios to emergency rooms, from the pit of despair to the top of the charts, and recounts his metamorphosis from a frightened Christian schoolboy into the most feared and revered music superstar in the country. Illustrated with dozens of exclusive photographs and featuring a behind-the-scenes account of his headline-grabbing Dead to the World tour.

A stunning personal narrative of best intentions gone awry, Michael Maren, at one time an aid worker and journalist in Somalia, writes of the failure of international charities. Michael Maren spent years in Africa, first as an aid worker, later as a journalist, where he witnessed at a harrowing series of wars, famines, and natural disasters. In this book, he claims that charities, such as CARE and Save the Children, are less concerned with relief than we think. Maren also attacks the United Nation's "humanitarian" missions are controlled by agribusinesses and infighting bureaucrats.

In this definitive, up-to-the-minute account of the Hells Angels in Canada, two veteran journalists investigate why the recent imprisonment of feared biker leader, Maurice "Mom" Boucher, is too little, too late. By the spring of 2002, Boucher was safely in prison but the Hells Angels had grown to 37 chapters with close to 600 members across the country. They had taken over the drug trade and continued their rapid expansion into Ontario with a recent, high-profile enlistment -- or patchover -- of 168 members from other gangs. In Winnipeg, gang warfare turned ugly as the Hells muscled out the competition and firebombed a policeman's home. In Vancouver, they secured a stranglehold on smuggling in the all-important West Coast port. The Road to Hell is the story of how the Hells have taken over the Canadian crime scene: how politicians dithered while overburdened prosecutors burned out and lost major cases; how police brass squabbled while a handful of dedicated cops worked years to amass their evidence; how a few citizens stood up the bikers and paid for that bravery with their lives. Murder plots, drug deals, money laundering and assassinations are brought to life through never-before-revealed police files, wiretaps and surveillance tapes. In gripping prose, the authors tell all about Boucher's war on the justice system; how he finally lost in Quebec, thanks in part to Danny Kane, a reluctant biker turned informer; but how across Canada the Hells have succeeded in building a national crime empire. The RCMP and then the police in Montreal would run Danny Kane as one of the most successful -- and most secretive -- agents ever to infiltrate organized crime. Kane would climb all the way to the top: from a lowly hangaround to a trusted confidante of the Quebec Nomads, the elite chapter led by the top Hells Angels lieutenants of Maurice "Mom" Boucher. And through his entire six-year-career as a spy, few people -- even inside the police -- would ever know about his dangerous double life. -- from The Road to Hell

Entry #3 in the popular Hell's Gate series by 28 times New York Times best-selling author David Weber and Joelle Presby. The war between magically-gifted Arcana and psionically talented Sharona continues to rage. The dragon-borne Arcanan assault across five universes has been halted at Fort Salby by a desperate defense, but at atrocious cost. One of those costs was the life of Crown Prince Janaki, heir to the newly created Sharonian Empire, who went knowingly to his death in the tradition expected of the House of Calirath. And another price will be the sacrifice of his younger sister, Grand Imperial Princess Andrin, now heir of Sharona, for the accords creating the Sharonian Empire require the marriage of the heir to the Crown to wed a Uromathian prince. Andrin bears her family's Talent, the Glimpses, which show flashes of events yet to come. She knows the accords must be secured . . . and like her brother, she will pay any price, make any sacrifice for her duty to her people. Sharona's soldiers dig in, facing the Arcanans in a tense standoff which cannot last long. Both sides continue rushing reinforcements towards the front, but how do armies fight wars when they can reach one another only through the portals which join the universes? And far, far behind the front, carried by dragons, a young Voice name Shaylar and her husband Jathmar hurtle deeper and deeper into Arcanan captivity, their only protection the fierce personal honor of the Andaran officer whose men massacred all of their companions in the horrendous misunderstanding which began the entire conflict. Men and women of honor on both sides must grapple with the terrible costs and deadly secrets of the spreading cataclysm, and in the shadows, those who will balk at neither treason nor murder drive the conspiracies which pour fuel into the furnace. The stakes are high and the pieces are in motion, but there are factors known not even to the conspirators and not even a Calirath can Glimpse the final outcome. NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

'I often get asked, 'Who was your favorite person to photograph?' or 'Who is the best person you've photographed?' says photographer Perou. 'It's always 'Marilyn Manson.' Which is just as well, considering how many times I've photographed him.' Perou has been photographing Marilyn Manson since a 1998 magazine cover shoot. Twenty-one years of collaborating have resulted in this unique book, featuring over 350 photographs including previously unpublished work, conceptual portraits, onstage and informal behind-the-scenes images, giving a rare insight into Manson's world.

River, Standing at the edge of the gateway, I understand two things. One, I have no idea what I'm doing. Two, the gateway to Hell is not closing. Now, there may be only one option left to me, to all of us. I may have to enter the one place I'd hoped to avoid throughout this journey. I may have to enter Hell. Unfortunately, a change in events takes the choice away from me. Kobal, I always knew the idea of River

entering into Hell could become a reality, but I expected her to be by my side when, or if, it happened. I expected to be there to protect her, but she's gone in alone. Now, not only am I trying to catch up with her, but I know Lucifer will soon learn of her entrance into my world, and he will be after her too. I just don't know which one of us will reach her first. ***There are four books in this paranormal romance series which is now complete. Not all things will be resolved in this book.
